Ski school

The ski school in Villard Reculas has a family feeling to it and makes a lot of efforts to have each one feel comfortable. It is the opposite of a mass-teaching school. Ski, snow board, free ride, off pists... whatever you like, the ESF in Villard Reculas has it !

Various options available, either half day, or full day including meal. This way parents also get a lot of time to enjoy the slopes in Alpe d'Huez Grand Domaine Ski. You can get more information on the various combinations offered if you go here:

<https://www.esf-villard-reculas.com/en/children/>

Once you know what kind of ski lessons you are registering for, ask the instructor what kind of ski pass you will need.

You may also be interested in the smaller Villard Reculas ski pass (ideal if you are a beginner or if you only have half a day): 20,5 € per day, 18,5 € for children or students.

Ski rental

Our customers get a 20% discount (for the rental) in the mountain sports shop in Villard Reculas
